

A large fishing net is silhouetted against a vibrant sunset sky over a body of water. The sky is a gradient of blue, orange, and yellow. The net is held by wooden poles and is partially submerged in the water. In the background, a small boat with several people is visible on the horizon. The overall atmosphere is peaceful and scenic.

PT SYRA AGRO GLOBALINDO

COMPANY PROFILE

PREMIUM FRESHWATER FISH EXPORTER

VISION & MISSION

VISION

To become a leading and globally recognized exporter of sustainable and high-quality freshwater fish from Indonesia.

MISSION

We are committed to delivering safe, fresh, and export-grade aquaculture products while maintaining world-class quality control at every step. We build long-term partnerships based on trust, reliability, and seamless export service from order to delivery. Our operations support local farmers through ethical, sustainable practices and responsible sourcing.

OUR VALUES

VALUES THAT GUIDE OUR COMMITMENT

We operate with integrity, quality, and professionalism to ensure every product meets international standards. Our commitment to sustainability and responsible sourcing supports both the environment and local farming communities. These values guide every step of our process as we build long-term, reliable partnerships with global buyers.

OUR PRODUCTS

PATIN FISH (PANGASIUS)

Patin is one of Indonesia's most in-demand freshwater fish for export. It has a clean taste, soft texture, and high versatility for processing industries. Ideal for fillet, steak cut, or whole round export.

Specifications:

- Type: Whole Round / Headless Gutted (HGT) / Fillet
- Size: 700g–1.5kg+ (custom available)
- Quality: Export-grade, fresh or frozen
- Packaging: Polybag + master carton, cold-chain standard
- Shelf Life: 12–18 months (frozen)
- Usage: Retail, food service, processing industry

OUR PRODUCTS

NILE TILAPIA (IKAN NILA)

Nile Tilapia is known for its firm flesh and mild flavor. Our tilapia is harvested from controlled, sustainable aquaculture farms to ensure consistent size and premium freshness.

Specifications:

- Type: Whole Round / Gutted / Fillet
- Size: 300g–1kg (custom request available)
- Quality: Fresh or frozen, export-certified
- Packaging: Ice-packed or frozen block, export standard
- Shelf Life: 10–12 months (frozen)
- Usage: Restaurants, supermarkets, food processors

OUR PRODUCTS

CARP FISH (IKAN MAS)

Carp is a popular freshwater species with high demand in both culinary and processing markets. We supply carefully handled carp to maintain freshness, texture, and clean flavor.

Specifications:

- Type: Whole Round / Gutted
- Size: 500g–2kg (available in multiple grades)
- Quality: Fresh harvested, cold-chain maintained
- Packaging: Ice-packed or frozen, export packaging
- Shelf Life: 10–12 months (frozen)
- Usage: Retail market, culinary uses, food processing

EXPORT PROCESS

WE ENSURE EVERY SHIPMENT RUNS SMOOTHLY
THROUGH A STRUCTURED WORKFLOW:

- 1 Inquiry & requirement confirmation
- 2 Harvesting from certified farms
- 3 Hygienic processing & sorting
- 4 Strict quality inspection
- 5 Packaging & cold-chain handling
- 6 Export documentation
- 7 Shipment via sea/air freight
- 8 Real-time tracking until arrival

OUR COMMITMENT

OUR PROMISE TO EVERY PARTNER

Delivering consistent product quality

We ensure every shipment meets strict grading standards, stable condition, and export-ready quality.

Maintaining reliable and stable supply

We secure consistent stock through trusted farmer networks and planned production cycles.

Providing competitive and fair pricing

We offer prices that reflect market value while keeping strong margins for both buyers and local farmers.

Preparing accurate and complete export documents

We handle all export paperwork with precision to ensure smooth customs clearance and on-time delivery.

Ensuring transparent, fast communication

We keep buyers updated with clear, timely information from order confirmation to shipment.

Building long-term buyer partnerships

We focus on trust, reliability, and mutual growth to create sustainable, long-term business relationships.

HOW TO ORDER

Ordering from PT Syra Agro Globalindo
is easy and efficient

1

Inquiry & Product Selection

Send us your product list, quantity needs, and destination. We confirm availability and provide quotations.

2

Order Confirmation

Once pricing and specs are agreed, we issue a proforma invoice and finalize the order details.

3

Preparation & Quality Check

We collect, grade, and pack the fish according to export standards, followed by quality inspection before shipment.

4

Shipping & Documentation

We arrange the shipment, provide all export documents, and update you with tracking and arrival information.

OUR INTEGRITY

We uphold honesty and professionalism in all business dealings, ensuring every shipment is documented, inspected, and communicated clearly.
